Membership Can Be Shared and Enjoyed for a Lifetime

You may become a member of ProFed in one of four ways:

- If your employer is a ProFed sponsor, you are eligible to join.
- If you are 50 years of age or older, you can join through the ProFed Eagles Association (see our ProFed Eagles brochure).
- If you live, work, attend school, worship, or volunteer in certain areas of Allen County.
- If someone in your immediate family is already a member.

Your membership is good for a lifetime, regardless of whether you leave your employer or discontinue your ProFed Eagles membership.

Membership Means Commitment to You and Your Money

By simply opening your ProFed savings (share) account, you purchase one share in the credit union (the par value of a share is \$5). Retaining one share makes you an owner in the credit union and allows you to vote in elections for the credit union's volunteer board of directors. Also, since a credit union is a not-for-profit entity, its earnings are returned to you and other members in the form of dividends on share accounts, improved services, and new products. ProFed also offers you financial security because your accounts are federally insured to at least \$250,000 by the National Credit Union Administration (NCUA).

Membership Offers Superior Products and Services at a Great Value

ProFed has built a reputation of trusted financial stewardship since 1933. ProFed's quality products and services will provide for your financial needs, save you money, and make your life simpler. Our goal is to offer a full line of low-cost, cutting-edge financial products and services.
